the shed as fast as possible, and most of the 120 cars stored at the time were saved. Some of them were on fire en run out on the main line. Three slarms of fire were turned in

Three slarms of fire were turned in and many firement were busy extinguishing the burning cars that were dragged from the car sheds. Twenty-five motor cars, worth \$1.00 each, were ourned. The entire yards 200 feet white and \$00 feet long, were burned, nothing being left but the steel supports. Three firemen of Engline Company No. 120 were dragging a heavy hose up a ladder when it broke, throwing them to the ground. They were attended by an ambulance surgeon from the Norwegian Hospital and were taken to their homes. The min who were hurt are: Michael Dorey, No. 19th Third aventue, threites Elseaburg, No. 222 Twenty-second street, and Frank Fermissen, No. 315 Fourite-standing for many miles in all directions. The total loss will amount to \$30 cm.
